

THE MADRAS MECHANICAL INSTITUTE
India's 1st Institution Of Bike Mechanical Training

**Two-Wheeler Mechanical Training Institute
Specialized in EV Technical Training**

Madras Mechanical Institute offers expert training in two-wheeler IC engines and EV systems, providing hands-on experience and industry skills.

ABOUT US!

Madras Mechanical Institute, established in 2008 with the Education and Vocational Training Revolution Foundation, bridges the gap between industry and skilled professionals. With over 27 billion two-wheelers in use, 50% lack proper service access. Despite rising job opportunities, 30% of graduates face unemployment. Our institute provides top-tier vocational training in two-wheeler and EV technology, preparing students for success.

Highlights Of Service

Madras Mechanical Institute (MMI) offers hands-on training in two-wheeler mechanics and electric vehicle (EV) technology, focusing on practical skills in manufacturing, repairing, and maintaining both internal combustion engine (IC) and electric two-wheelers.

- Courses in two-wheeler manufacturing, repair, and maintenance for IC engines and EV systems.
- EV Entrepreneur Training Camp provides skills to start and grow EV businesses.
- Experiential workshops ensure real-world experience with tools and equipment.
- Courses updated with the latest automotive technology advancements.
- Assistance and counseling to facilitate smooth workforce entry.

Courses Offers

Petrol Engine & EV Mechanical Training

Courses	Free
New Mechanical Entrepreneur Training	₹ 10,833/- + Tax per Month
New Mechanical Entrepreneur Camp Training	₹ 5,416/- + Tax per Month
Diploma in ITI Mechanical Training	₹ 2,708/- + Tax per Month

Electric-Vehicles-Internship

Courses	Free
EV 2 Wheeler/3 Wheeler Technician	₹22,000/- + Tax
EV Battery Specialist	₹ 30,000/- + Tax

“

Madras Mechanical Institute ranks among the top training centers, providing expert guidance in two-wheeler and EV technology. Our hands-on approach ensures industry-ready skills and career success.

”

Specialized Training Programs for Future Technicians

New Mechanical Entrepreneur Training

- ✓ Expertise in IC engine repair and maintenance.
- ✓ Develop business skills for managing a workshop.
- ✓ Hands-on training with real-world equipment.

New Mechanical Entrepreneur Camp Training

- ✓ Short-term intensive program for quick skill development.
- ✓ Focus on both IC engine and EV technology.
- ✓ Practical insights into workshop management.

Diploma in ITI Mechanical Training

- ✓ Comprehensive mechanical training with industry-standard techniques.
- ✓ Theoretical and practical learning balance.
- ✓ Industry-recognized certification for better job opportunities.

EV 2 Wheeler/3 Wheeler Technician

- ✓ Specialized training in EV motor and battery systems.
- ✓ Practical sessions with advanced diagnostic tools.
- ✓ Career-focused training to meet EV industry demands.

EV Battery Specialist

- ✓ In-depth knowledge of lithium battery technology.
- ✓ Training on battery diagnostics and repair.
- ✓ Hands-on experience with modern EV systems.

Why Choose Us:?

 **Practical Expertise:** Gain hands-on experience with real-world tools and equipment.

 **Cutting-Edge Knowledge:** Stay updated with the latest in IC engine and EV technology.

 **Career Growth:** Secure job opportunities or start your own business confidently.
